THIS QUOTE INCLUDES PRE-CON'S TERMS AND CONDITIONS.

## PRE-CON PRODUCTS TERMS AND CONDITIONS

- 1. Purchase Price.** The Purchase Price specified on the face of this invoice is and shall be considered a lump sum price for the sale and/or installation of the Products based upon the aggregate prices of the time and material components of the Purchase Price including installment charges, if any, as have been separately stated.
- 2. Payment.** Payment in full of the Purchase Price, including transportation costs, shall be due thirty (30) days after delivery. Interest at the rate of eighteen percent (18%) per annum shall accrue on the unpaid balance, and on any other charges or expenses payable by Buyer, from the due date until paid in full. Seller reserves the right to withhold cease all further deliveries if timely payment in full has not been received.
- 3. Price Change.** The Purchase Price is binding on the Seller only for the period indicated, and prices are subject to change without notice. The possession of price sheets or catalogs by any person should not be construed as a binding offer to sell by Seller. Price changes made by Seller shall apply to all materials covered by this contract and delivered after said period, provided that delivery is not delayed due to any fault of the Seller.
- 4. Delivery.** Seller will deliver the Products to the job site, and if requested in writing by Buyer, Seller shall install, attach and affix the Products to their final location using Seller's trucks, trailers and personnel. The unloading, placement and installation of the Products shall be the sole responsibility of Seller based upon the reasonable directions and requirements of Buyer, unless otherwise agreed in writing. Buyer shall provide any mainline suitable access roads to the delivery site and protect utilities and adjacent structures.
- 5. Installation.** In the event Seller is required to install the Products pursuant to Buyer's request, Seller shall further furnish all tools, equipment, labor, materials, structures and accessories which may be required or necessary to properly install and affix to the job site all of the Products. Seller makes no representations or warranties, nor assumes any responsibility regarding the proper location, alignment, depth, size, bedding, supports, physical requirements, base, backfill, compactor or any other condition affecting the placement or installation of the Products specified by Buyer, which responsibilities are exclusively borne by Buyer. Seller assumes no responsibility for water infiltration into any Product placed into any excavation.
- 6. Capacity.** Seller shall be deemed a construction contractor for all purposes if Seller is required to install and affix the Products according to the plans and specifications of Buyer. Buyer's payment of the Purchase Price shall not be reduced or subject to any offset, retention, back-charge or other claims by reason of any term or condition contained herein.
- 7. Title.** Seller shall retain title to all Products until the full Purchase Price has been paid and, if Seller is responsible for the installation of the Products, until the Products have been attached to, incorporated in or affixed to their final position by Seller.
- 8. Sales Tax.** The Purchase Price of the Products is based upon the assumption that Seller shall install and affix the Products, provided that in the event Buyer does not elect or contract with Seller to install the Products, then Buyer shall be further liable and responsible for the payment of all sales or use tax computed on the gross Purchase Price of the Products.
- 9. Warranties.** Seller only warrants that the Products shall conform to the specification thereof and shall be free from defects in labor and materials for a period of one (1) year from date of delivery. If the Products should be found to be defective then upon written notice and after the return of the Product to Seller's expense to Seller's business premises, Seller shall replace the Product with a duplicate Product free from defect without charge, but without further expense to Seller. SELLER MAKES NO OTHER WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, AND SELLER HEREBY EXPRESSLY DISCLAIMS ALL OTHER IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR PURPOSE. EXCEPT FOR THE REPLACEMENT OF ANY DEFECTIVE PRODUCTS AS SET FORTH ABOVE, SELLER SHALL NOT BE LIABLE OR RESPONSIBLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, COSTS, EXPENSES OR LOSSES SUFFERED BY BUYER, INCLUDING ANY CLAIMS OR ALLEGED DELAY DAMAGES, RESULTING FROM OR CAUSED BY DEFECTIVE PRODUCTS SUPPLIED BY SELLER. Products sold by Seller, but not manufactured by it, are warranted only to the extent such Products are warranted to Seller by the supplier.
- 10. Inspections.** Buyer shall inspect the Products for any broken, chipped or other visible defect or deficiency prior to unloading the same and Seller shall have no liability for any such deficiencies unless Buyer provided written notice to Seller on the shipping/delivery document evidencing Buyer's receipt of the same. All other inspections of the Products shall be made by Buyer within five (5) days from Seller's delivery of the products to the job site, at Buyer's sole cost and expense, for correct size, symmetry, depth and quality consistent with allowable tolerances and variations consistent with usual trade practices. Unless written notice of rejection is timely received by Seller, it is conclusively deemed that the Products meet with the Buyer's purchase requirements and are complete in accordance with the description of the Products.
- 11. Returns.** Products shall not be returned by the Buyer without prior written acceptance by the Seller. The amount of credit to be given, if any, shall be determined by the Seller after inspection of the Products upon return to Seller's business premises.
- 12. Quantity.** When the Buyer requests a reduction in total quantity of the Products ordered of more than ten percent (10%) for any category of Products listed, Seller may at its option increase the unit price of the Products a reasonable amount to offset the reduction in quantity.
- 13. Scheduling.** Seller's delivery of the Products is based on its present estimate of the time required to ship after receipt of Buyer's order. ACCEPTANCE BY BUYER OF ANY PRODUCTS WITHOUT WRITTEN OBJECTION SHALL CONSTITUTE A WAIVER BY BUYER OF ANY CLAIM FOR ACTUAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ON ACCOUNT OF ANY DELAY IN DELIVERY OF SUCH PRODUCTS.
- 14. Ordering Odd Lengths.** The Purchase Price is based upon furnishing not over two percent (2%) of total Products sold having standard four-foot lengths, unless otherwise agreed in writing or the reverse thereof. An additional charge will be made for any excess in such percentage. All pipe and Products will be billed at nominal lengths (4' or 8') and no allowance shall be chargeable for shortage due to bevelling.
- 15. Default.** Upon any default by Buyer under this contract, Seller, at its option, may cancel the unfulfilled portion of this contract, and the full Purchase Price for all Products manufactured by Seller for Buyer under this contract, whether or not delivered to the job site, shall, at Seller's sole option, become immediately due and payable. The exercise by Seller of any of its rights under this contract shall not bar Seller from exercising any other rights or remedies under the applicable lien laws against the property where the Products are placed or installed. In the event of default in payment, or any other breach, Seller may re-take possession of the Products wherever they may be found, and may resell the same without notice to Buyer, applying the amount so received to the balance due. Seller may otherwise exercise all rights and remedies available to Seller in accordance with California law.
- 16. Sale Contract.** This contract is subject to acceptance only on the terms and conditions stated in this offer. This contract shall not be subject to modification except by an agreement in writing signed by both parties. Any additional or different terms and conditions proposed by Buyer, either before or after this offer, are hereby rejected.
- 17. Force Majeure.** The Seller shall not be liable for delays or other failure to perform because of any delays in manufacture or delivery due to unforeseeable causes beyond the control and without the fault or negligence of the Seller, including, but not restricted to, acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, excessive traffic, major equipment or transportation failures, delays or defaults of third parties, freight embargoes, unusually severe weather or delays of subcontractors or suppliers due to any causes and non availability of materials. All claims for delay in delivery of the Products shall be deemed waived unless presented in writing concurrently with acceptance of the Products. Delays in delivery, for whatever reason, shall not be cause of cancellation of this contract by Buyer. The parties hereby acknowledge that the amount of damages suffered or incurred by Buyer as a result of any delay in the delivery of Products which is caused by Seller's neglect or default shall be incapable of accurate measurement and that the parties hereby agree that Seller shall solely be liable to Buyer in such event in an amount equal to Fifty Dollars (\$50) per day of delay which amount shall constitute the sole and exclusive measurement of damages suffered by Buyer due to any such delay damages.
- 18. Bid Jobs.** Or bid jobs, this contract shall be binding on the parties only (a) for completion within sixty (60) days from the date on this contract and (b) if Buyer is awarded either from a general or subcontract embracing the use of the Products.
- 19. Taxes Not Included.** The Purchase Price is exclusive of all state or local sales or use taxes and all other taxes of any governmental or public agency, applicable to this order unless specifically included.
- 20. Indemnification.** Buyer expressly agrees to indemnify, defend and hold Seller harmless from and against all claims, demands, losses, expenses, costs, including reasonable attorney's fees, liabilities, suits or judgments of any kind or nature, arising out of, in connection with, or resulting from death or injury to persons and loss, damage or injury to property, caused or due directly or indirectly to the sale, delivery, installation, storage or use of the Products being provided to Buyer. Buyer further agrees to erect sufficient protective and warning devices at the time the Products are placed on the job site.
- 21. No Assignment.** Buyer shall not assign this contract or any interest therein, without Seller's prior written consent.
- 22. Risk of Loss.** Risk of damage or loss of the Products shall pass to the Buyer upon the transfer of title. Thereafter, Buyer shall be responsible for compliance of all governmental regulations and ordinances with regard to storage or placement of the Products.
- 23. Attorney Fees.** In the event of any litigation, action or proceeding is commenced in connection with this contract, the prevailing party therein shall be entitled to recover its reasonable attorney's fee and court costs.
- 24. Storage.** In the event Buyer does not accept delivery of the Products in accordance with the delivery schedule agreed upon between the Seller and Buyer, Seller will store the undelivered Products on its business premises for a period of thirty (30) calendar days beyond the scheduled delivery date; provided that Seller will charge Buyer an amount equal to one and one-half percent (1½%) for each month, or any portion thereof, of the Purchase Price for the undelivered Products from the scheduled delivery date, payable monthly, and continuing until delivery of the Products or the termination of this contract whichever shall last occur. Seller shall have the right to cancel this contract, retain any deposits or prepayments, and recover the remaining balance of the full Purchase Price of any undelivered Products, plus interest thereon at the rate of one and one-half percent (1½%) per month until paid in full, if Buyer shall not accept delivery, or any reason whatsoever, within ninety (90) days from the scheduled delivery date.
- 25. Disclaimer of Plans.** Buyer hereby acknowledges that in the event the Seller has provided any layouts, schematics, drawings or other plans to Buyer in connection with the placement, location or installation of the Products, any such plans were prepared solely for the benefit of Seller and Seller hereby disclaims, and shall expressly not be liable or responsible for, any loss, damage, expense or other injury suffered by Buyer, or damage to be suffered or incurred by Buyer, with respect to or arising out of Buyer's use of such plans. Buyer shall solely be responsible for determining the numbers, lengths, configurations, layout installations, dimensions and all other design parameters affecting the installation of the Products provided by Seller.

Provide one set of stakes for each of the following operations:

- A. **Set Monumentation / Reset Destroyed Monument** –Tie out the existing monument at the Intersection of Santa Fe and Malden. After construction is completed reset destroyed monument, prepare, and file a corner record for the replaced monument with the County as required by the Calif. Land surveyors Act. Per Plans and Specs there are 100 monuments at a cost of \$1,525.00 each.
- B. **Set up/Research/Calcs/Office-**

**Total Estimated Cost    \$152,500.00**

This estimate is based on staking each item in separate continuous move ins. Cost includes field supervision, scheduling and coordination as well as performing all calculations necessary and preparing and checking grade sheets for efficient staking. Only items noted above are included in this estimate.

**Should improvement plans have insufficient data, contractor to provide a full set of plans depicting all horizontal data necessary for staking.**

Staking/survey services rates for additional staking (if necessary):

Two-man field crew: \$210.00 hr.

Office Land Surveyor: \$105.00 hr.

Should you have any questions regarding this proposal, please do not hesitate to contact me at (909) 831-4766.

2. List the names of certified DBEs and all the dates on which they were solicited to bid on this project. Include the items of work offered and the dates and methods used for following up initial and follow-up solicitations to determine with certainty whether the DBEs were interested. Attach copies of solicitations, e-mail messages, telephone records, fax confirmations, etc.

Name of DBE Solicited	Date of Initial Solicitation	Items of Work Offered	Follow Up Methods and Dates
Please see TAB 4 for a list of certified DBE's that were solicited, items of work offered, and the dates and methods used for following up solicitations; and, copies of invitations to bid, e-mail, telephone, and fax confirmations and records.			

3. For each item of work made available, indicate whether the Bidder provided plans and specifications specific to the items of work being offered, list the selected firm and its status as a DBE, the DBEs that provided quotes, the price quote for each firm, and the price difference for each DBE if the selected firm is not a DBE. Provide copies of each DBE and Non-DBE quote submitted to the Bidder whenever a Non-DBE firm was selected over a DBE for work on the Contract.

	<input type="checkbox"/> YES <input type="checkbox"/> NO					
	<input type="checkbox"/> YES <input type="checkbox"/> NO					

If the firm selected for the item is not a DBE, provide the reasons for the selection on a separate sheet and attach names, addresses, and phone numbers for the firms listed above. Provide evidence as to why additional agreements could not be reached for DBEs to perform work.

4. Describe the Bidder's outreach efforts to identify and solicit the interest of all certified DBEs that have the capability to perform the work of the Contract. Provide copies of supporting documents.

Description of Outreach	Dates	Location (if applicable)	Results
SANBAG 4th Annual Business to Business Expo	09/28/2016	Los Serranos Country Club Chino Hills, CA	Met w/ attendees who visited our exhibit booth & handed out project bid invitations to attendees.
Mobility 21 Southern CA Transportation Summit	10/21/2016	Disneyland Hotel Anaheim, CA	Met w/ attendees who visited our exhibit booth & handed out project bid invitations to attendees.
Please see TAB 6 for additional outreach efforts and supporting documentation.			

5. Describe the Bidder's efforts made to provide interested DBEs with adequate information about the plans, specifications, and requirements of the Contract to assist them in responding to a solicitation. Identify the DBEs assisted, the type of information provided, and the date of the contracts. Provide copies of supporting documents.

Information regarding access to the plans and specifications was provided in our solicitations. Plans were made available for viewing and copying at our Riverside office from 7:30AM – 5:00 PM daily. We also stated that the plans were available on the Caltrans website and provided the link. Skanska had no specific requests for assistance regarding access to the plans or specifications.

6. Describe the Bidder's efforts made to assist interested DBEs in obtaining bonding, lines of credit, or insurance. Identify the DBEs assisted, the type of assistance offered, and the dates. Provide copies of supporting documents.

Skanska's Estimating, Risk Management & DBE Compliance team staff is available during regular business hours to provide requested assistance on bonding, credit and/or insurance questions upon request. Technical assistance is also available upon request. During the outreach and bid process for this project, we were contacted by Rhino Ready Mix, an SBE for assistance with bonding & insurance, as well as a copy of our sub agreement. We have processed the request, provided an example agreement, & are awaiting Rhino's response to identify the specific assistance needed. Please see TAB 7 for the email documentation of the request & response.

7. Describe the Bidder's efforts made to assist interested DBEs in obtaining necessary equipment, supplies, materials, or related assistance or services, excluding supplies and equipment the DBE purchases or leases from the prime contractor or its affiliate. Identify the DBEs assisted, the type of assistance offered, and the dates. Provide copies of supporting documents. List efforts made to assist interested DBEs in obtaining bonding, lines of credit, insurance, necessary equipment, supplies, materials, or related assistance or services, excluding supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate. Identify the DBE assisted, the assistance offered, and the date. Provide copies of supporting documents.

Should a subcontractor need assistance, the estimating staff is willing to discuss options for services, equipment, materials and will break down scope packages so that DBE's can participate within their means and capabilities. For this bid, we were contacted by Rhino Ready Mix. Please see TAB 7 for further details & documentation.

8. List the names of agencies and the dates on which they were contacted to provide assistance in contacting, recruiting, and using DBE firms. If the agencies were contacted in writing, provide copies of supporting documents.

On September 30, 2016, Skanska contacted 41 Small and Minority Business Development Centers, Chambers of Commerce, Procurement Technical Assistance Centers and Minority Trade Associations notifying them of the bid opportunity and requesting assistance in identifying interested DBE's.

Please see Tab 7 for a complete list of Agencies contacted, and supporting documentation.

9. Include additional data to support a demonstration of good faith efforts.

Skanska USA Civil is committed to the growth and use of small and diverse businesses. We go above and beyond to educate & include SBE, DBE, WBE, MBE, DVBE companies in our outreach efforts. Skanska does this by holding Small Business Academies, which we use to educate small business on how to bid with large primes, how to present themselves with their SOQs, what questions to ask to avoid surprises while bidding & contracting with large primes & introduce them to the requirements that will be expected of them to meet performance standards. We also conduct outreaches to introduce potential small subcontractors to our estimators & advise them of what bidding opportunities are out coming up. We have implemented the use of the internet to start job/bid specific sites that allow small businesses as well as other contractors more direct access to our estimating team and provide scope specific information in a manageable and convenient way. Skanska also assists subcontractors in finding valid contacts and organizations to help them grow their businesses and educate themselves on topics like certified payroll, taxes, insurance, bonding, etc.
